By car

Drive to city center / Altstadt-Ring. From Sendlinger Tor, turn right (when coming from West) or turn left (when coming from East) into Lindwurmstraße. Stay on Lindwurmstraße for about 2 kilometers, then turn right into Poccistraße. Right before Bavariastraße/Bavariaring, turn left to our parking garage. Call us (see phone number above), so we can open the garage for you.

By public transportation

From the airport, take S1 or S8 (both will go to Marienplatz). Take the train leaving first. From the central railway station, take any S-Bahn (S1-S8) going to direction Marienplatz.

On Marienplatz, change to the U3 or U6 (direction Sendlinger Tor / Klinikum Großhadern / Fürstenried West / Harras). At the stop Poccistraße, get off the U-Bahn and take the escalator in driving direction. After the first escalator, turn right and take the second escalator to the street level. Then turn left into Poccistraße. Walk for about 200m, then turn left (there is a sign for Chip/Xonio Online GmbH). After turning left, the entrance is to your right (Poccistraße 13). Ring at „MIT-xperts GmbH“. Our office is on the 2nd floor (press “2” in the elevator).
